## IT Certification Roadmap

Explore the possibilities with the CompTIA Interactive IT Roadmap at: [CompTIA.org/CertsRoadmap](http://CompTIA.org/CertsRoadmap)

Certifications validate expertise in your chosen career.

# 5

What's the main key point to stand at the top of your career ladder as an IT professional? It is investing in acquiring new skills continuously and getting upskilled in them at a regular interval. If you put an end to learning new technologies in this ever-evolving world, your career scopes won't broaden at all. **Wondering where can you get your certification done from?**

The Global Skill Development Council (GSDC) is an independent, vendor-neutral, international credentialing and certification organization for emerging technologies like Blockchain, Six Sigma, DevOps, Cloud, AI-ML, ISO, Agile, and L&D professionals.
